A TRAVELLERS FAVOURITE FOR DECADES

"Nata Lodge has been a favourite destination of mine for a long time. There's a special kind of magic around. The accommodation is so comfortable and spacious. The staff are lovely and the sunset game drive salt pan excursion at Makgadikgadi Salt Pan is lovely. The sunsets are beautiful. There are wildebeest, zebra, flamingos as well and so many other bird species."

BRILLIANT BIRDWATCHING

Birder or not, the number one thing to do in Nata is to visit the Nata Bird Sanctuary.

The Makgadikgadi Salt Pans exude a feeling of antiquity and mystery that has enticed explorers for decades. Nata Lodge offers daily three-hour sunset drives in open game drive vehicles to support the community-run reserve. Most famous for its thriving flamingo population, the sanctuary is set in the mighty Makgadikgadi Salt Pan network with quality wildlife sightings over and above the 165 bird species recorded here. Zebra, wildebeest, black-backed jackals and bat-eared foxes all roam freely.

A TRAVELLERS FAVOURITE FOR DECADES

"I can't remember how many times I have stayed at the Nata Lodge and I have never been disappointed. Love everything about the place, and my family feel the same way. We love dining out under the stars. Most of the staff have been there many years and can't do enough for you and always with a smile."
